## How Do I Schedule these Meetings?

## What is an ACFC Mini-Presentation?

The ACFC (Advisory Council on Family Care) is a joint union/management committee, funded through Bargaining, to provide programs to help its CWA represented employees deal with work/life issues.

These **1/2 hour meetings** provide an overview of programs sponsored not only by the ACFC but also VZ-Life and Verizon.

Contact the ACFC Coordinator by e-mailing [ACFC@Verizon.com](mailto:ACFC@Verizon.com) with the following information:

- date(s) requested
- number of people to be covered
- number of people to be scheduled per session
- start time (may vary depending on location and work hours)
- management contact - name and telephone number
- union contact - name and telephone number

Once this information is received, you will be contacted to review in more detail.
